

**China Everbright Limited awarded  
“Best Investment Value Award for Listed Companies” and  
“The Best Asset Management Service Provider in 2015” from  
“The 13th China’s Financial Annual Champion Awards”**

13 January 2016 — Organised by the China’s Securities Market Research Centre and Hexun.com, “The 13th China’s Financial Annual Champion Awards” was held in Conrad Hong Kong in Admiralty. With a theme of “Achieving mutual benefits through co-operation between Hong Kong and China”, senior managements from financial institutions and industry experts attended the event and had a thorough discussion on how to promote the development of capital market, services entrepreneurship and innovation. **China Everbright Limited** (“CEL”, stock code: 165.HK)’s CIO Yang Ping joined the event and shared his view with other guest speakers in a roundtable discussion of the topic “Wealth management and global asset allocation”.

During the event, CEL stands out of the competition and awarded “Best Investment Value Award for Listed Companies” and “The Best Asset Management Service Provider in 2015”, due to its solid capital foundation and strength in investment.

“China’s Financial Annual Champion Awards” is originated from Hexun.com, it is the first major internet contest in the financial sector, which has been held for 13 editions. For more information on “The 13th China’s Financial Annual Champion Awards”, please visit:
