

**CEL's EBA Investments awarded No.1 of  
"Top 10 Funds among the 2016 China Real Estate Funds" for the second  
year in a row since 2015**

On 31 March 2016 - Jointly organised by the Development Research Center of the State Council, Institute of Real Estate Studies of the Tsinghua University and China Index Academy, The "2016 China Real Estate Top 100 Enterprise Research Announcement Press Conference cum The 13<sup>th</sup> China Top 100 Real Estate Entrepreneur Summit" was held in Beijing. CEL's real estate fund management platform EBA Investments was awarded No.1 of "Top 10 Funds in terms of Comprehensive Strength among the 2016 China Real Estate Funds" for the second year in a row since 2015. Mr. Eric Chen, CIO of EBA Investments, attended the ceremony and made a keynote speech on the topic of: "How the Top 100 real estate enterprises boost their innovation and upgrade themselves by leveraging on finance".

EBA Investments is a professional fund management platform focusing on China's real estate private equity investment for more than 10 years. It has successfully invested in hundreds of real estate projects, involving a total investment of over RMB70 billion in projects covering an area of more than 6 million square meters. This award proves EBA Investments has become the leader in China's Real Estate Fund due to its comprehensive strength and fund management scale.
